

# Cornhole Rules

Revised: 11 September 2014

These are the official rules and regulations of PlayNOLA. The rules and regulations have been developed and ratified to meet the guidelines of the American Cornhole Association (ACA). The rules are a guideline to promote consistent and standard Cornhole / Corn Toss play. It is the responsibility of each member to strive to meet these rules and regulations in all PlayNOLA tournaments.

## TEAM SIZE & ROSTERS

Only two players per team are able to participate at a time, but you can have up to three players registered on your team.

## COURT LAYOUT

In doubles play two contestants are partners against another team of two contestants; one member of each team pitches from one cornhole platform and the other members pitch from the other cornhole platform. Instead of 27 feet board to board, it is modified to 25 feet.

## GAME LENGTH & TIME

Every Cornhole / Corn Toss match is broken down into innings of play. During each inning there a top and a bottom round of play.

The top of an inning is completed when both contestants pitching from the first cornhole platform pitch all 4 corn bags; the bottom of the inning is completed when the remaining contestants (pitching from the other cornhole platform) pitch all 4 corn bags.

The top of an inning is completed when the first contestant pitches all 4 corn bags; the bottom of the inning is completed when the remaining contestant pitches all 4 corn bags.

An inning is never completed until all contestants pitch all four corn bags.

## Cornhole Rules

Revised: 11 September 2014

### Length of the Game:

The Cornhole / Corn Toss match shall be played until the first team of contestants reaches (or exceeds) 21 points at the completion of an inning. The winning team does not need to win by two or more points.

The Cornhole / Corn Toss match can never end in the middle of an inning. Thus, if a team that pitches first reaches or exceeds 21 points, the game can not end until the other side is allowed to pitch all of their corn bags and the inning is completed.

If the Cornhole / Corn Toss match is tied at 21 or more at the end of an inning, play continues until one team or the other achieves a higher score at the end of an inning and wins the match.

The game shall be played to 21 unless a team scores 7 or more points at the end of an inning before their opponents score any points. In this case the game is a skunk and the team that scores 7 or more points wins the match.

### DELIVERY

1. The first sides of contestants alternate pitching corn bags until they have thrown all four corn bags, then the remaining contestant (pitching from the other cornhole platform) continue to alternate in the same manner until all four corn bags are delivered and the inning completed.
2. A contestant may deliver the corn bag from either the left or right pitchers box (see above) but, in any one inning, all corn bags must be delivered from the same pitcher's box.
3. Each individual contestant shall deliver the corn bag within 20 seconds. The time shall start when the contestant steps onto the pitcher's box with the intention of pitching.

### Pitching Rotation During The Game

The contestant who scored in the preceding inning shall pitch first in the next inning. If neither pitcher scores, the contestant who pitched second (last) in the preceding inning shall pitch first in the next inning.

### SCORING

## Cornhole Rules

Revised: 11 September 2014

1. Corn Bag In-The-Hole - A corn bag in-the-hole (or Hole-In) is a corn bag which is thrown through the hole in the cornhole platform or otherwise comes to rest inside the cornhole platform (knocked in by another player or tossed in). A corn bag in-the-hole has a value of three points.
2. Corn Bag In-The-Count - A corn bag that is not in-the-hole but lands with any portion of the corn bag resting on the cornhole platform is in-the-count (sometimes called on-the-board). A corn bag in-the-count has a value of one point. For a corn bag to be in-the-count, it must not touch the ground or any other portion of the court prior to coming to rest on the cornhole platform. If a corn bag touches the ground before coming to rest on the cornhole platform, it is a foul and must be removed from the cornhole platform prior to the continuation of play.
3. Corn Bag Out-Of-The-Count - A corn bag which comes to rest anywhere except in-the-count or in-the-hole is out-of-the-count and has no scoring value. A corn bag which is declared to be a foul is considered to be out-of-the-count (no matter where it comes to rest) and must be removed from the cornhole surface prior to the continuation of play.

### CANCELLATION SCORING

In cancellation scoring, corn bags in-the-hole and corn bags in-the-count pitched by opponents during a half of an inning (doubles play) cancel each other out. Only non cancelled corn bags are counted in the score for the inning.

1. Corn Bags In-The-Hole – Hole-ins (HI's) cancel each other. A corn bag in-the-hole of one contestant shall cancel a corn bag in-the-hole of his competitor and those corn bags shall not score any points. Any non cancelled corn bag in-the-hole scores three points.
2. Corn Bags In-The-Count – Corn bags in-the-count cancel each other. A corn bag in-the-count of one contestant shall cancel a corn bags in-the-count of the opponent and those corn bags shall not score any points. Any non cancelled corn bags in-the-count score one point each.

Cancellation scoring may be easily calculated as follows:

## Cornhole Rules

Revised: 11 September 2014

1. The points of both contestants are calculated for hole-ins and in-the-count corn bags.
2. The points of the lowest scoring contestant for hole-in corn bags are subtracted from the points of the highest scoring contestant for hole-in corn bags. The result is the hole-in score for the highest scoring contestant. The hole-in score for the lowest scoring contestant is zero.
3. The points of the lowest scoring contestant for in-the-count corn bags are subtracted from the points of the highest scoring contestant for in-the-count corn bags. The result is the in-the-count score for the highest scoring contestant. The in-the-count score for the lowest scoring contestant is zero.
3. The hole-in score for each contestant is added to the in-the-count score for each contestant to derive the recorded score for the inning.
4. In this manner hole-in and in-the-count corn bags from each contestant or team of contestants are cancelled out and only non cancelled corn bags are counted in the score.
